Re: *Sheehan v. ConsenSys, Inc.*
19-cv-04154 (DLI) (CLP)

Dear Judge Merkl:

This firm represents the defendant ConsenSys, Inc. (“Defendant”). I write pursuant to the Court’s December 13, 2021 minute entry to report on the status of this case.

As summarized in my December 10, 2021 submission to the Court (see Docket Doc. No. 28), counsel for the parties exchanged their respective positions with regard to settlement on October 22, 2021. This afternoon, counsel for the plaintiff Ryan Sheehan (“Plaintiff”) advised that he was discussing with Plaintiff’s mother¹ a response to Defendant’s counterproposal. Counsel will promptly advise the Court in the event that any such response leads to material developments in the status of this matter.

Defendant remains ready to continue discovery.

Respectfully submitted,

/s/

Michael J. Goettig

¹ As the Court will recall, at the October 8, 2021 status conference, opposing counsel represented that Plaintiff remained unable to participate in the litigation. It is presumed that that remains the case.
